

# Sombrero®

*All-Weather Skin Cream*

## Description

Environmental factors can cause skin damage. Left unprotected, the skin is exposed to these environmental effects that can dry out this sensitive surface area. Sombrero is an all-weather cream that protects and soothes the skin, balancing epidermal moisture levels to keep your skin feeling and looking healthy. Apply Sombrero daily, liberally saturating the skin until absorbed.

## Benefits

- Soothes both normal and dry skin
- Balances epidermal moisture levels
- Acts as an all-weather cream
- Is the perfect cream to support skin in environmental effects

## Key Ingredients

- **C12-15 Alkyl Benzoate**—Acts as a skin-conditioning agent.
- **Homosalate**—Supports skin moisture in outdoor conditions.
- **Styrene/Acrylates Copolymer**—Works as an emollient and skin-conditioning agent.
- **Tocopheryl Acetate**—A fat-soluble compound of vitamin E with antioxidant benefits.

# Sombrero®
